CMI Expands Sales Force to Accommodate Growing Demand

Fast Growing Company Increases Resources

STAMFORD, CT. November 13, 2017 — CMI announced today that Cory Biller has joined the company joining John St. Martin, who arrived earlier this year expanding the overall salesforce.

John St. Martin brings a wealth of experience to CMI, having spent his entire career in media with previous senior positions at Comcast Interactive Media, The ADS Group as well as running his own ventures. John states, "I am excited by the explosive growth of audiovisual and look forward to working with the CMI team to bring premium localization to new clients looking to globalize their message and branding."

Cory Biller, also a veteran of sales and media holding having senior roles at Litin Paper Company, Microgistix and The ADS Group, added "CMI's long history of providing premium localization for major Hollywood movie studios makes it a leader in high-end video localization. I am excited to offer that level of artistry to new clients in other industries."

Haitham Wahab, CMI's CEO and co-owner of CMI, "We are very excited to have expanded our team with the abilities of John and Cory. We believe video as a communication media will continue to grow exponentially, CMI is here to help our clients take their messaging global"

CMI's mission is to provide clients with the best in proven technology and the highest degree of customer service. CMI prides itself on creating value for their clients by attracting top talent and acquiring the best equipment and technology available.
